Employment Opportunity

Job Title: Water Treatment Operator For a Level 1 Water Treatment Plant and Water Distribution System Operator for Dokis First Nation.

This position is a full time position with 40 Hours per week with regular Weekend work and some overtime. You will be part of a small team that will be responsible for operating and maintaining the Dokis Water Plant and Distribution System 24/7 365 days per year. Being able to follow direction, obtain training as requested, coordinate services for subcontractors, ordering materials, as well as work alone will be required.

Qualifications:

- Valid MOE Operator in Training for Water Treatment, Limited Groundwater Certificate, or Water Treatment Class One.
- Grade 12
- Valid drivers license
- Heavy lifting
- Implement process changes according to the Safe Drinking Water Act
- Computer skills (Word, Excel, computerized maintenance management systems, developing schedules, PLC components like analyzers, etc.)
- Hand held water testing analysers and testers
- Ability and knowledge of maintaining water treatment plant/systems including fixing water distribution systems and components in the plant.

Responsibilities (Minimum List of Normal Operational and Maintenance Tasks of Water Systems)

- Daily operations and logging
- Conduct daily, weekly, monthly, and annual sampling as per the MOECP requirements
- Diagnose and make repairs when required
- Work some holidays and regular weekends. All days are to be covered by two operators.
- On call duties
- Maintain a good relationship with the public
- Maintain confidentiality
- Work as a team
- Maintain training requirements

- Ability to work alone
- Decision making skills
- Operation and Maintenance of the water distribution and plant systems.

Salary: To be based on qualification and experience
